Summer Term - Number 2 – 14th May 2021

Face Mask Update

Following the latest Government announcement, from Monday 17th May, we will be relaxing the need to wear a face covering at drop off and collection times.

However, we would still ask you to observe the social distancing procedures in place, ensuring the gate area is left free to enable safe access and exit to the site for all and appropriate space is observed whilst waiting on the playground.

Many thanks

Trip Information

Monday 17th May– Class Two Looe Trip

Meet at Calstock Quay at 8.30am, collect from Calstock Quay 3pm

Please ensure your child has a rucksack and is appropriately dressed/ equipped for all weathers. We will be spending all day outside so it is important the children are comfortable and warm.

Class One Trip—Urgent Notice

Due to complications with the train company's commitment to keeping us and its other users Covid secure we need to postpone our trip. I am very sorry any inconvenience this may have caused. I have requested a new date of the 25th May. I will confirm this arrangement ASAP. Thank you

Class One News

Class One have been enjoying outdoor learning and made *Mrs Honey Hats* from natural materials.

In geography we mapped a journey through the village using a stick to mark the key landmarks we passed.

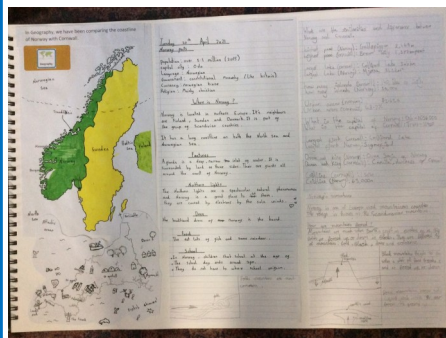

Welcome back Lorna! Lorna has been volunteering at Calstock for many years, promoting a love of reading. Class 1 are all really pleased to have her back. Thank you Lorna.

If you are interested in volunteering, please send Mrs Copson-Ball an email. Thank you

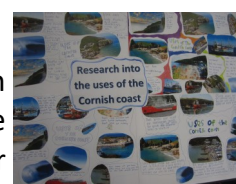

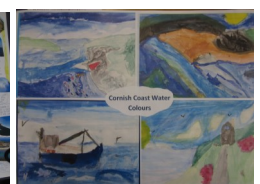

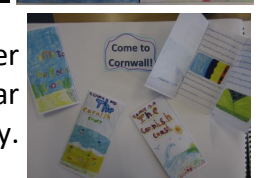

Class Three News

Class 3 have been comparing Norway and Cornwall and their coastlines. They have also been looking at maps, mountains, capitals and rural features of both regions.

Class Two News

Class Two have been researching the Cornish coast and making their own brochures. The Year Twos have also been doing some outdoor maths, practising multiplication with natural objects. We have welcomed Mrs Read, who is volunteering her time on Tuesday and Thursday mornings to work with the Year Two pupils. Mrs Read will also join us on our Looe Trip on Monday. Thank you Mrs Read.

Infant Free School Meals Census Day Thursday 20th May

If you have a child in Reception, Year One or Year Two, we'd be grateful if you could encourage them to have a school dinner on Thursday 20th May. This is Census day and our free school meal funding is based on numbers of meals on this date. There will be a special pizza menu followed by chocolate cake.

Drum Stool?

We are looking for an adjustable drum stool to be used by pupils for their drum lessons. If anyone has one that they no longer require and would like to donate to school we'd be very grateful.

Things to Remember

Please arrive for afternoon pick up after 3pm.

All children must have a coat and suitable outdoor footwear in school each day.

Please ensure all uniform/ coats has your child's name on it.

Water bottles and reading books should also be brought to school each day.

As the weather warms up sun hats and sun cream should be sent to school daily.

The Big Ask

This week some of the children have been taking part in a Children's Commissioner survey. The survey is aimed at gathering children's views on the impact of COVID-19 and their hopes and needs for the future. The information gathered will be used to lobby the government and make children's voices heard. If you'd like to find out more here is a website link explaining the project <https://www.childrenscommissioner.gov.uk/thebigask/>

Footwear

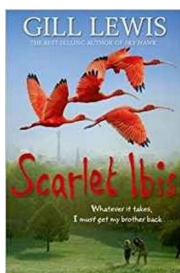

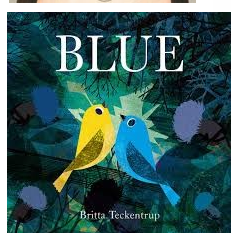

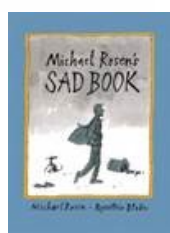

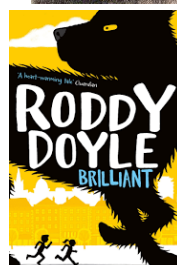

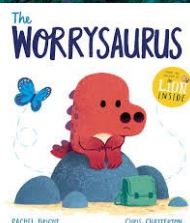

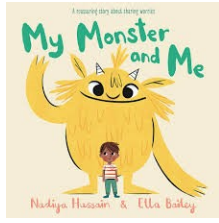

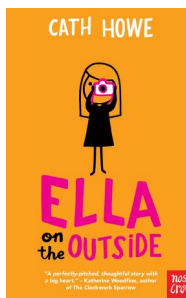

Please could children attend school in closed toe footwear. No sandals or crocs please as these are not robust enough for running around the playground and protecting feet from knocks and scrapes. Thank you

Mental Health Awareness Week –Some Brilliant Books to Share

Books can be a great way to start conversations about feelings and instill awareness of mental health difficulties. Here are some books that you may be interested in sharing with your children:

For Younger Readers:

For Older Readers:

School Pick Up

Please could we request that when collecting your children from school, **you try to avoid stopping to chat in the area around the school gate.** If we can keep this area clear of congestion, it gives all families a clear entrance and exit from the site, enabling appropriate social distancing to occur.

We thank you in advance for your cooperation.

Please make your child's teacher aware of any egg products, including food items in lunch boxes, egg boxes and bird nests that have been brought into the school.

Thank you

Police and Council launch campaign to inform and reassure communities about the impact of the G7 Summit

Details shared of local disruption

Devon & Cornwall Police and Cornwall Council has launched a campaign around the impact of the G7 Summit on people in the affected areas.

Residents, businesses and visitors are being informed of the key details around disruptions, restrictions and diversions before, during and after the event.

The G7 Summit is taking place between 11-13 June and will host world leaders in St Ives, with Falmouth and Newquay Airport also providing support venues for the event.

The campaign will provide important information relating to disruptions that can be expected in the run up to and during the Summit. This will include the installation of security fences around key venues; road, rail, aviation, maritime and footpath closures and restrictions and some diversions; all of which are being put in place to ensure the safety and security of the event for both residents and the delegates.

To manage traffic around the venues and keep residents safe, a number of traffic management measures will be put in place, including:

- In the St Ives and Carbis Bay area the A3074 (St Ives Road) will be closed to all traffic from 9am on 10 June until 11.59pm on 13 June. Security barriers and fencing will be installed from the 4 June and there will be some initial short-term disruption, but full closure is not planned until 0900 on 10 June. The Old Coach Road via Halseltown will be used to provide access to St Ives and delays are expected.
 - In St Ives local amenities will largely remain open, and all beaches other than Carbis Bay will be accessible.
 - St Ives town centre and harbour will be open. In Carbis Bay, the section of the South West Coast Path which runs through the Carbis Bay Hotel will be closed with a temporary diversion in place.
 - In Falmouth, where the Maritime Museum at Event Square will be used as the media centre for the G7 Summit, both Grove Place and Maritime car parks will be closed between 27 May and 19 June. Campbelltown Way will be closed to traffic between 27 May and 19 June. The car park in Church Street will be closed for play and display 10 to 13 June
 - Around Cornwall Airport Newquay - there will be a number of road closures and parking restriction orders in place around the airport for the duration of the event, beginning at 6pm on 9 June, and ending on 11.59pm on 13 June.
 - Some restricted areas in St Ives and Falmouth will require residents and business workers to provide two forms of current identification linked to their home or business address in order to gain access in vehicles to those homes or businesses. These might be a council tax bill, utility bill, bank statement (within the last three months) or driving licence.
 - Businesses within the perimeter and in the immediate vicinity of Cornwall Newquay Airport will be contacted shortly by the Cabinet Office with specific identification requirement instructions.
 - Any delivery driver or service provider seeking entry to restricted areas will need to provide proof of manifest / order confirmation to the address that they are seeking to access along with their personal company ID. The same principle in terms of suitable documentation and ID will need to be presented by any care workers or similar (e.g. charity volunteers who are providing support to residents within the community). Pedestrian access will be restricted in areas of the immediate vicinity of key areas and people will be subject to security checks. Only residents will be allowed access to these areas.
- Further security arrangements are still being finalised, but details will be shared as soon as possible.

Face-to-face meetings, leaflets and mailings are among the methods being used to keep in touch with residents who do not have access to online information and police are asking people to share updates with those who have difficulties finding information online. E.g. Private carers letting those they care for that they will need ID to gain access to the restricted area.

Superintendent Jo Hall of Devon & Cornwall Police said: "Our local policing teams and Council community link officers have been working together to engage with communities in St Ives, Falmouth and Newquay since the announcement of the event.

"This campaign aims to further inform and reassure communities about the impact of the event in the local areas and the temporary changes they can expect.

"We are working hard to minimise the impact of the Summit on local communities and we are engaging regularly with residents and other partners in the affected areas. We would encourage residents to speak to their local police officers about any concerns they might have.

"There will be a certain level of disruption caused by the restrictions and closures, but we hope that people will understand that these are essential to ensure a safe and secure event for delegates and the wider community.

We are thankful for the support and understanding of residents and visitors and we hope that the Summit will leave a positive legacy for Cornwall."

Kate Kennally, Chief Executive of Cornwall Council said: "We are working hard to ensure that hosting the G7 in Cornwall will bring long-term economic benefits for all residents of Cornwall, but it will mean some short-term impact on those living nearest to the venues which are hosting the event. We will work with the Devon and Cornwall Police do all we can to minimise the effect it has, and our priority will remain, as ever, looking after our residents.

A dedicated G7 Summit website, www.dc.police.uk/G7, has been created to provide up-to-the-minute information so that people can stay informed. The website includes useful information including a news section and answers to our most frequently asked questions. There are localised maps of the affected areas which show road closures and restrictions, along with diverted routes, so people in and around the area can plan their journeys.

A Facebook Live event will take place this evening from 6pm, where Devon and Cornwall Police, Cornwall Council and the Cabinet Office will be available online to discuss the impact of the Summit and answer any questions.

Can you offer a 'Home from Home'?

Berkeley Guardians is looking for welcoming hosts who are keen to share their home with international students who are requiring accommodation during school holidays or emergencies

Why would you consider Homestay?

- Are you an 'empty nester'?
- Have your own children left home?
- Do you have a spare room?
- Do you enjoy the energy of being around young people?
- Would you like to earn some additional income?

Whatever the reason, hosting an International student can enrich your life in many ways. Students visit the UK from all over the world and each one brings their own culture, language and personality. As their host, you will be a key part of their experience and understanding of the British way of life and in return will benefit from learning about them.

The team at Berkeley Guardians (Gold Accredited member of BSA) is looking for friendly homestay providers to host our international students (ages between 9-18) and university students.

Attractive daily rates and expenses ensure excellent financial opportunities and the current Government 'Rent a Room Scheme' allows you to earn up to £7,500 per year tax-free from letting out furnished accommodation in your home.

Quotes from existing homestays working with Berkeley Guardians:

"Both the children were a delight to host and we enjoyed having them as part of our family"

"They were honestly wonderful to have with us"

If becoming a homestay provider is of interest to you, or you would like more information then contact us now:-
